

## 2010 Northwest Patient Safety Conference

### Call for Posters

We invite poster submissions on patient safety-related topics, with particular emphasis on patient safety culture. *Please note:* This year's conference will be held in conjunction with the annual retreat of the Surgical Care and Outcomes Assessment Program (SCOAP), so we are also encouraging posters that present your work on [surgical safety](#). This is an excellent opportunity to share your success with an even wider community!

*All posters must be free of commercial bias. Posters that present evaluations of commercial products will not be considered.*

#### **Details:**

Posters will be exhibited all day outside the conference rooms, or in a designated breakout room.

The poster must fit on a large easel so it should not be larger than 28" x 40" and should be mounted on poster board.

For each accepted poster, *one person from the sponsoring organization* will receive a 50% discount on his/her conference registration.

#### **Proposals:**

Due date for proposals is **March 26, 2010**.

Send the following information to [msmith@qualityhealth.org](mailto:msmith@qualityhealth.org):

- Poster title, sponsoring organization, and presenter(s)/author(s). (There can be more than one presenter/author for the poster, but discounted registration will be applied to one person only.)
- Description, limited to 250 words.
